Box 1450****Alexandria, VA 22313-1450****RESPONSE TO OFFICE ACTION**

Examiner Chen:

In response to the Office Action dated 07/19/2006, Applicant submits the following remarks and amendments, currently due on a statutory period for response expiring on 10/19/2006. It is believed that no extension of time is necessary.

The Examiner has stated, on the Office Action Summary that claims 1-21 are pending, Claim 16 is rejected and Claims 1-15 and 17-21 are objected to. In telephone conversations with the Examiner, it has been found that this is in error. The Summary should read "Claims 1-15 and 17-21 are rejected and Claim 16 is objected to". In addition, it is later stated that Claims 8 and 16 would be allowable if Claim 8 re-written to overcome a rejection under U.S.C. 112 and Claims 8 and 16 were rewritten in independent form.

This response is organized as follows:

Amendments to the Specification are reflected on page 2 of this paper.

Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

Remarks/Arguments begin on page 5 of this paper.

Certificate of Transmission (37 CFR 1.8)

I hereby certify that this paper (along with any referred to as attached or enclosed) is being transmitted on the date shown below to the Commissioner for Patents, Washington, D.C.
